Issues listed don't make sense - we would be seeing these problems on the collection floor.

Likely a negotiating tactic - need to push them to validate their concerns quickly.

Thanks,

1. Hopefully will have a list of issues on Monday
2. Don't know what the account document issues are

Their email took Garnet and us by surprise. Won't really have a good feel for the concerns until we see the list and talk to them. Trying to get a call with them for Monday.

When will we have the list of accounts?

Any idea why they say they don't have all of the documents?

Thanks,

Mike Poppe
